

PROMINENT CITIZENS

RECOMMEND DR. HOOD'S MAY BLOSSOM HONEY.

When well known men recommend a remedy for Coughs, Asthma, Bronchitis, Consumption, etc., it must be a remedy of great merit. Hundreds of people recommend Dr. Hood's May Blossom Honey. We print a few testimonials below. It has a record of curing consumption after all other remedies have failed. It contains no morphine or other anodyne poisons, which are so dangerous in other cough remedies. These poisonous cough remedies frequently ruin children, making them weaklings for life. May Blossom Honey contains none of these poisons. It is absolutely harmless, yet infallibly relieves croup and whooping cough.

For the past ten days I have been using May Blossom Honey, and I must say that the relief is so marked that I am confident that with a continuous use of your remedy for another month my troubles will have entirely disappeared. Respectfully,
JOHN R. PFLANZ.

Dear Sir: In response to your inquiry, will say that I have had occasion to use May Blossom Honey, and have observed its effects when used by others; and in my opinion it is the most effective remedy for the ailments for which it is recommended. Very sincerely yours,

FROM PANAMA

Engineer James P. Kelly Comes to See His Brother.

James P. Kelly, a locomotive engineer now employed in the Panama Canal Zone, is in Louisville to spend two or three weeks with relatives and friends. Mr. Kelly is not new to Louisville. Neither is Panama new to him. He was born in this city, but left Louisville in 1873. Later he returned and ran locomotives on the old Louisville Southern and Monon. Since then he has drifted around the world and has seen many parts of the earth. Fifteen years ago he was an employee of the French Government when Ferdinand De Lesseps undertook to put through the canal and failed. Mr. Kelly ran a locomotive then.

He is very jubilant in his praise of the changed conditions. Under the Americans with Col. George W. Goethals, the Chief Engineer, the work is succeeding. Upon Col. Goethals depends all the real work in the Panama Zone. He is able, energetic, treats his men well, is thoroughly patriotic and the glory of the United States in putting through the canal is his ambition. Mr. Kelly is delighted with the sanitary conditions in the Zone and is anxious for the arrival of February 23 so he may start on his return to Gorgona. He is a brother of Phil Kelly, of 3206 Frankfort avenue.

BIG BANQUET

Will Follow the Initiation of Class at Mackin Council.

Mackin Council held a well attended meeting on Monday night with President Samuel L. Robertson presiding. Eight applications were favorably passed upon and the applicants were declared elected. Charles S. Ralby reported that plans for the coming opera were progressing favorably and that rehearsals would begin in the near future. The council approved the site for the Portland public library and donated \$100 toward its purchase.

All members were requested to be present next Monday night, when plans for the initiation of a large class will be discussed. A smoker and social session will follow the business meeting. The initiation will be held on Sunday, February 19, and the council will give a banquet at the Louisville Hotel in honor of the event on the same evening. The three degrees will be exemplified by the State degree team headed by Robert T. Burke.

The auspicious opening of the advance sale at the Avenue Theatre for the engagement of "The Newlyweds and Their Baby" at this popular playhouse next week places the seal of success upon the engagement. Patrons of the Casino and Orpheum will be delighted with the run of moving pictures to be exhibited next week. All are entirely new and approved and are first run films. There will be the usual changes and also the latest illustrated songs.

Can Sleep Well and Has Splendid Appetite.
Industry, Tex., Feb. 1, 1909.
The person for whom I used Koenig's Nerve Tonic is a 55 year old lady, she suffered from want of appetite, sleeplessness and was so weak that she could hardly walk a distance of about a mile, which she formerly did with ease, without having to take a rest several times. She also had spells of dizziness and fainting when in presence of many persons, as at church. After using one bottle of the Tonic she is all right, has splendid appetite, can sleep well and is strong again. Rev. W. Demel writes Mr. Wm. Gordon, 329 5th St., Louisville, Ky.

FREE A Valuable Book on Nervous Diseases and a Sample Bottle to any address. Poor patients also get the medicine free. Prepared by the Rev. Father Koenig, of Fort Wayne, since 1876, and now by the Koenig Med. Co., Chicago, Ill., 108 Lake Street.
Sold by Druggists at \$1 per Bottle, 6 for \$5. Large Size, \$1.75; 6 Bottles for \$9.

tion of St. Patrick's day. Action on the invitation was deferred until the next meeting.

MACAULEY'S.

Della Fox in "Delightful Dolly" is the attraction booked at Macauley's for three days, beginning next Monday. It has been several years since this charming entertainer has appeared before theatergoers of Louisville, and her reappearance should bring out a host of her old-time admirers, whom she has never failed to delight in the past. For the last half lovers of music will have the pleasure of hearing the famous Imperial Russian Court Orchestra, which is accompanied by Miss Marie Stoddard as soloist.

HOPKINS' THEATRE.

Another strong vaudeville bill is promised for Hopkins' Theatre next week. The people like good vaudeville and the fact that the Hopkins management gives them what they want is responsible for the popularity of the playhouse. Some of the turns to be introduced this week are decidedly new and novel.

CENTRAL COMMITTEE.

The regular monthly meeting of the Central Committee of the Catholic Knights of America will be held next Friday night at St. Mary's Hall on Eighth street. President McCarthy will then announce his appointments for the various committees, after which there will be a discussion as to the most suitable point for a grand summer excursion. All delegates are urged to be present.

HEARTY THANKS

Extended the Benefactors of St. Anthony's Hospital.

The recent eucure for the benefit of St. Anthony's Hospital was very successful, and the good Sisters of St. Francis thus voice their appreciation:

"Words can not fully express our deep and heartfelt gratitude to all who have in any manner assisted our hospital in the recent charity entertainment given by the ladies of St. Anthony's Hospital Sewing Society. It is impossible to mention all who have helped to make the entertainment such a grand success, but we feel that special credit is due the ladies of the Sewing Society, the gentlemen and young ladies who assisted them, the donors of prizes and eatables, the Kentucky Irish American, the Record, Argus and daily press for kind notices, the purchasers of tickets, the reverend clergy for favors and announcements, those who contributed cash towards the affair, and especially all who attended the entertainment. The result gives us the means of caring for many more of the sick poor than otherwise would be possible, and we pray to God that He may bless all our benefactors and repay them a thousand-fold for their noble charity."

NEW SITE.

St. Augustine's Parish to Erect Modern Edifices.

The property on Broadway purchased by Bishop O'Donoghue last week is to be the site of a new Church of St. Augustine, a rectory and parochial school. Plans for these buildings have been made, builders are preparing contracts and the work will begin as soon as the weather permits. The property has a frontage of 105 feet on the south side of Broadway, fifty-two feet west of Thirtieth.

The new church is to be fifty-five feet broad and ninety feet long. It will conform to modern ecclesiastical architecture, will have a basement, galleries, up-to-date heating plant and other modern equipments. The buildings will be constructed of brick and stucco. The work will be pushed rapidly when started. The present church, rectory and school hall will be immediately abandoned when the new edifices are ready. Father Felten, pastor of St. Augustine's, in speaking of the matter to a representative of the Kentucky Irish American said:

"The present environment made it necessary for us to move. We are not moving far from the old site, but we intend to erect structures creditable to Broadway. In due time the old church and buildings will be disposed of." St. Augustine's is the pioneer Catholic church for colored people in the United States. Its first pastor is now the illustrious and venerable Archbishop John Lancaster Spalding. The present church is only nine years old, but the encroachment of manufacturing industries has rendered a new site for the church absolutely necessary.

MASONIC THEATRE.

The Masonic will present Miss Lula Glaser and a large company Wednesday and Thursday nights in "The Girl and the Kaiser." The story is said to be based on an incident in the life of the Austrian Emperor, Josef II., when he met a pretty girl in the royal game preserves and again discovered her in Vienna in time to save her sweetheart from execution as a deserter from the army. Among many striking melodies in the operetta, the waltzes, marches and wild Hungarian dances never fail to bring encore after encore.

REAL NEGRO MINSTRELS.

The Rev. Father Francis Felten, pastor of St. Augustine's church, is training his band of colored minstrels for the big midwinter show that is to be pulled off in the school hall, 1409 West Broadway, on Tuesday, Wednesday and Thursday, February 21, 22 and 23. There will be a band concert and minstrel show at 8 o'clock each evening. The price of admission has been fixed at twenty-five cents. The fact that the performers are all real negro minstrels will attract many to the several performances.
